

# Protecting our environment starts at home...

YOUR BRAND HERE

# and continues at work.

Changing to more  
energy-efficient  
practices and  
products protects  
the environment  
where we work  
and live.

As a partner with the U.S. Environmental Protection Agency's ENERGY STAR® program, we're committed to protecting the environment through energy efficiency. Last year alone, American consumers and businesses prevented the greenhouse gas emissions equivalent to 25 million vehicles by using less energy. **Learn more at [www.energystar.gov](http://www.energystar.gov).**
